Mr. Joe Fallik  
100 Paradise Lake Road  
Catskill, New York 12414

Dear Mr. Fallik:

Thank you for sharing your unsolicited proposal regarding the development of a prototype and Food and Drug Administration (FDA) approval for the Microwave Body Heating System, which you submitted to the Centers for Disease Control and Prevention (CDC) for funding.

The proposal is currently being reviewed for technical merit and possible interest by CDC's Office of Public Health Research. You will be advised of the results of this review and any interest expressed by this Center. Enclosed are a copy of the Federal Acquisition Regulations (FAR) and the Health and Human Services Acquisition Regulations (HHSAR), which set forth policies and procedures concerning the submission, evaluation, and acceptance or rejection of unsolicited proposals.

Should you wish to discuss this proposal further, please contact Mr. Pete Penny in CDC's Procurement and Grants Office at (770) 488-1115. We appreciate your interest in and support of public health programs within CDC.

Sincerely,

  
Julie Louise Gerberding, M.D., M.P.H.  
Director
